What does it profit, my brethren, if a man says he has faith but has not works? Can his faith save him? If a brother or sister is ill-clad and in lack of daily food, and one of you says to them, "Go in peace, be warmed and filled," without giving them the things needed for the body, what does it profit? So faith by itself, if it has no works, is dead.

James 2:14-17

Behold, I am the handmaid of the Lord; do unto me according to thy word.

Luke 1:38

October 4 - 7, 2012
Circle Lake Retreat Center
19000 Circle Lake Dr., Pinehurst, TX 77362

What an amazing and humbling experience it has been preparing for JTD #110! There isn't a more beautiful sight on this earth than the hands and feet of Christ at work and our team has been the full embodiment of what the Journey has set out to do. Their unwavering support and "yes" to the call to serve has been overwhelming! The verse for the October weekend is Luke 1:38, "Behold, I am the handmaid of the Lord; do unto me according to thy word." When we completely surrender to God's plan for us, He sets in motion change far beyond our wildest imaginations. My team has said "yes" to the Lord and I can't wait to see what He has in store for us!

Matthew 6:27

Queen of Peace Retreat Center

I would first like to thank all of you for your continued support and prayers. DON'T STOP NOW! Our team has had (and overcome) some major health issues, either with themselves or their family members.

As we all know, team members as well as pilgrims are placed right where they are needed! Our team is now in place and I pray daily the pilgrims will follow. JTD #111 Prayer Vigil is posted on line and we welcome you to sign up through that venue. We will circulate both our agape list and the Prayer Vigil one last time at the September Candlelight for all to participate in THE BEST JOURNEY EVER! If you haven't been to a Candlelight in a while, now is the time. Miracles do happen, just come ask me or one of our team members to give you just one example.

God Bless and again thank you for all your prayers.
