

JOURNEY TO DAMASCUS NEWSLETTER

Team Selection Process

As we prepare for the upcoming Journey to Damascus weekends in 2012, the Board of Director's wanted to provide some insight into the Team Selection process. As we hit our 100th weekend this year, there are now over 3500 in the JTD community filled with God's love and desiring to be the hands and feet of Christ. The Team Selection committee prayerfully considers the make-up of God's team. After selection Lay Directors for the coming year, each Lay Director is asked to submit a St. Elsewhere team consisting of the Lay Director, Board Representative, three Assistant Lay Directors, Spiritual Director and Co-Head Angels/CHA's.

Key to this is building a slate of candidates who are contemplating the call to service as a future lay director is establishing a list of future candidates. This process of building a database of future candidates started just a few years ago and is growing and improving each year. Is it perfect? No. But it does get better each year. To be considered as an Assistant Lay Director, candidates should: 1) Be willing to serve as a Lay Director in the future if the opportunity should arise; 2) Have previous team service as an assistant table leader or table leader; 3) Have previous team service as a cha/angel; and 4) Be active in a reunion group. All Assistant Lay Directors must give a talk on the weekend.

Following the selection of the St. Elsewhere team, the remainder of the team is put together through prayerful consideration of the Lay Director, Board Rep. and the Board of Directors with the guidance of the Holy Spirit. Lay Directors are asked when considering team composition, at least a third of the team should have no previous team experience in established communities; the second third should have only one (1) prior team service; and the last third may have 2 or more prior team experiences. Remember: At least one member of each table should be protestant and balanced with a table servant with no prior team service and one with at least one prior team service.

For fairness and equity of the community, the Board has established a policy allowing community members to participate on only one Journey Team per calendar year. Additionally, the Board established a limit of two past lay directors per team to continually provide new opportunities for the community to serve. Service on the weekend is a special blessing from God that is uplifting and fulfilling.

If you are not able to serve on team, there are still many opportunities to contribute to the community and receive God's graces through service. See page 5 of the newsletter for more information.

Luke 12:25-26

***Who of you by worrying can add a single hour to his life?
Since you cannot do this very little thing, why do you worry about the rest?***

The blessings of the Lord have been apparent within Journey #98 as we have shared our community and our talks while building the framework for our spiritual renewal on our weekend. The Holy Spirit continues to shine forth through the efforts of the team as we anticipate bringing His love to the pilgrims and team. The team and I look forward to the opportunity to serve and with much appreciation and anticipation of our weekend.

De Colores!
Tim
