Journey to Damascus # 181

Corpus Christi Men's
August 23 - 26, 2018

Dear Journey Brothers and Sisters,

The Holy Spirit is alive and well in Corpus Christi! ...and He works in mysterious ways. I'm amazed and humbled at how the Journey community comes together to show God's love. I pray that the Team is a small reflection of all the love and prayers that the Pilgrims will be showered with this weekend, not by us, but by the awesome, awesome support that we've received from you, the Journey, Walk, and Cursillo communities. With all sincerity, Thank You. I love you.

De Colores,
Roger T. Flores

JTD #184 - Corpus Christi Women's

Dear JTD Community,

As we are now just two months away from The Best Journey Ever!! I come to you with a humbled heart. I am in awe how the Holy Spirit continues to work within me and the team of beautiful women that God has put together. These ladies are on fire and ready and excited to be the hands and feet of Christ. But, I am most especially in awe of you, the Journey to Damascus Community. I am and will forever be grateful for the blessings we have been showered with through all of you.

Our Agape List is full!! There are still spots available on the Prayer Vigil List and we're finally on line so please feel free to go and fill these last few spots up.

We have been blessed beyond measure as we continue our team meetings and the team continues to bond.

We currently have 18 confirmed pilgrims! Blessed be to God and the Holy Spirit.

The team of JTD #184 thanks you all for your continued prayers and support for us as well as the pilgrims who are waiting to answer THE Call.

De Colores!

Lay Director JTD #184

Past JTD "Thank You"

Brothers and Sisters in Christ,

I can't believe Journey to Damascus #178 has come to an end. Last weekend we celebrated a beautiful Afterglow with the Pilgrims and their families and it was a wonderful turnout, with lots of food of course! The talks were inspiring, and the Holy Spirit never fails to show up at a Journey gathering.

I, along with the Team and Pilgrims send our most heartfelt thanks to the community for an outstanding attendance at Candlelight. Jesus was reflected in each and everyone of your faces. I was overwhelmed and joyed by the amazing outpouring love for these pilgrims.

Watching God in action and the transformation of the Pilgrims as well as the Team members never gets boring or old! The Journey to Damascus brings a deeper and more fulfilling relationship with God for everyone participating in the weekend and we are eternally blessed by the experience.

My personal thanks to the community and my team for lifting my husband, Randy, in prayer along with our entire family during his diagnosis of kidney cancer and surgery. He is doing well and has been released with yearly follow ups.

“Seek first the kingdom of God and His righteousness, and all these things will be given to you. - Matt 6:33.”

This has been an experience of a lifetime and I am grateful for the opportunity to serve this amazing community as the Lay Director for JTD #178.

Thank you!
De Colores,
Angela Wendel

Know someone who isn't receiving this Newsletter?

Please pass this along to them:

There are a number in the community that have signed up to receive Newsletters on the website but are not receiving the emails. In most cases the email address is on the database and the Newsletter is being sent, but your email server is "stopping" it or marking it as "spam". Please look in the spam/junk folder to see if the Newsletter sent is in there.

Several email servers including Hotmail, YAHOO and GMAIL are not letting the Newsletters go through or marking it as "Spam".

STEP 1: Go into your email account and see if its in the “spam”/ “junk” folder? If it is in "Spam" -- “Mark” the email as “NOT SPAM”. (*right click on the email and it will present options*)

There are instructions in this article on how to do that. (*click link below*)
<http://onlinegroups.net/blog/2014/02/25/how-to-whitelist-an-email-address/>

STEP 2: If you do not find the email in spam, then the article / link above also explains how to “Create a filter for the address” the email that is sending the Newsletter is Journey_to_Damascus@mail.vresp.com so you will need to create a filter. This filter tells Yahoo or Gmail that you want emails from Journey_to_Damascus@mail.vresp.com to come through and that they are GOOD emails.

STEP 3: Say a prayer that it works. :)

Apologizes for all the mess but several email servers are being super protective on what they allow through their spam filters.
