

JOURNEY TO DAMASCUS

NOTICE

-- JTD #197 Postponed --

Dear JTD Community

As the impact of COVID-19 on the country, state and local community escalates, the Corpus Christi Journey to Damascus Board of Directors, after much consideration, has voted to postpone JTD #197. There were several factors that went into the decision, including the current food shortages that could affect our ability to feed everyone on the weekend, the potential for low pilgrim turnout, low community turnout for Candlelight, the CDC's recommendation that all gatherings of 50 or more people be postponed and, most importantly, the health and safety of the pilgrims, team and community. First, let me say that I am in complete agreement with the Board of Directors, as are all of the St. Elsewhere members that I have spoken with in the past two days. Second, I want everyone on the team to know that the weekend is NOT being cancelled, it is just being postponed, which means it will still happen with this team and the talks that have been prepared, just at a later date. When the weekend will actually take place will not be determined for some time, but please be assured that JTD #197 will take place. As for the pilgrims that have already been signed up for the weekend, we will be in contact with them and their sponsors to inform them of the postponement and offer to move them to one of the other two men's weekends this year or hold them over for whenever JTD #197 will be held. Finally, I'd like to thank all of you for your continued support of this ministry and your dedication to this team and the pilgrims God is calling to the weekend, whenever that weekend will take place.

Please let me know if you have any questions/comments and please continue to pray for God's guidance and protection amidst the turbulence of COVID-19.

In His love,

Shane Beckwith (JTD #197) and The Corpus Christi Board of Directors
